

KINDERGARTEN REGISTRATION AT SOOKE ELEMENTARY

MONDAY, FEBRUARY 1ST – FRIDAY, FEBRUARY 5TH

8:00 – 3:00

Procedures for Kindergarten registration are now confirmed by the school district. The complete set of information is here on the website – please follow links. Please note that any forms that parents have downloaded or received up to now will still be valid for this year's registration (*if you've already downloaded and filled out forms in anticipation of Monday's registration, you do not need to fill out new copies*).

Please note that registration takes place during the week of February 1st to the 5th. Registration starts at 8:00 AM and early registrations cannot be taken. Furthermore, **each registrant can only register the members of a single family (friends or family can not register more than one child – unless twins, etc) For example, a friend who is registering CANNOT bring in your child's registration as well.** Someone other than the parent can register, just not more than one student.

It is important to bring a birth certificate and proof of residence (a utility bill, or a finalized purchase agreement will do).

The full process of registration is outlined on a flow chart provided to us by the school district. We encourage you to download the Kindergarten Enrolment Process Flow Chart and familiarize yourself with the procedures that it summarizes.

The school district has also produced a series of FAQs related to Kindergarten Registration. We've made this available as a .pdf for you to access directly from our website.
